

IFB #16-195
Parking Lots and Combined Paving and Concrete Work

Summary

Frederick County, Maryland is seeking bids from qualified Contractors for the provision of combined paving and concrete work at various Frederick County locations. The purpose of this solicitation is to establish contract(s) for labor, material, equipment, and incidentals necessary to patch, repair, and pavement seal various Frederick County parking lots, and access roads. And to repair and/or install new sidewalks, sidewalk ramps, curb, and gutter curb on an on-call basis.
